Dear Sir:-

Your communication of December 6th at hand.  
The writer will be pleased to give a talk to your  
class of advance cataloguing on January 17th at 9 A.M.  
I should judge that this class meets somewhere in the  
main Library building.

I desire however, to state that there are  
no hard and fast rules for arrangement and cataloguing  
coins, but certain rules and suggestions can be layed  
down that may be of service to your class.

I am,

Yours very truly,

Curator.
